Product Description

Bobcat AE36 Tow-Behind Aerator

Aerate more acres efficiently with the 36 in. AE36, ideal for sports turf, recreational fields, and other small to mid-sized areas of one to five acres. Hooking up to your tractor or zero-turn mower, this tow-behind machine quickly and effortlessly aerates 1.5 acres per hour - helping you finish jobs ahead of schedule without sacrificing quality.

All made from austemper-hardened steel, choose from $\frac{3}{4}$ in. Or $\frac{1}{2}$ in. thick wall coring tines, $\frac{3}{4}$ in. thick wall spooning tines, or shallow and deep slicing knives - all built to penetrate to a depth of up to five inches. For maximum aeration, add an optional eight more tines to each wheel to do double the work.

The Bobcat® AE36 aerator is ideal for sports turf, recreational fields, and other small to mid-sized areas of one to five acres.

- 36 in. working width
 - Up to 96 coring tines
 - Aerate up to 1.5 acres per hour
 - Compatible with most tractors and zero-turn mowers
