Product Description

Bobcat MT100 Mini Track Loader

No need for wheelbarrows, shovels or other hand tools when you roll onto jobsites with the Bobcat® MT100 mini track loader.

- Fit through gates, doorways and other narrow spaces
 - 1,000 lb. rated operating capacity
 - Powerful breakout force and impressive lift height
 - The MT100 travels through gates, doorways and other narrow spaces with ease.
 - The machine also delivers a big boost in power with a 1,000-pound rated operating capacity, powerful breakout force and impressive lift height.
 - The optimized roller spacing on the MT100's track system improves ride quality for enhanced operator comfort and confidence when working long days.
 - Easy, tool-free access to maintenance areas and advanced safety features, including neutral start interlocks, are standard on the MT100 mini track loader, while sealed rollers eliminate the need for daily roller maintenance and decrease downtime.
 - This loader also features high-flotation tracks that allow it to move across wet and muddy ground.
