Product Description

Bobcat S450 Skid-Steer Loader

You can count on the S450 skid-steer loader's powerful hydraulic performance, leading maneuverability and fast cycle times to get the tough jobs done in less time.

The efficient and powerful Bobcat® engine meets Tier 4 emissions standards without the need for a diesel particulate filter, reducing downtime long-term maintenance costs.

Attachment changes are easy with the Bob-Tach mounting system.

Quickly negotiate small access points and efficiently maneuver on confined jobsites with the T450. Its radius lift path provides maximum reach when dumping over walls, backfilling and unloading flatbed trailers.

- High-comfort features for long days in the cab
 - Radius lift path
 - Tall and wide windows for operator visibility
 - Bob-Tach mounting system for easy attachment changes
