Product Description

Bobcat S66 Skid-Steer Loader

Get two-speed travel and Bobcat® super float tires for precision turning and skidding with minimal ground disturbance.

The in-cab display provides full-featured machine interaction and monitoring capabilities to maximize your productivity.

The S66 features an efficient, 74-horsepower inline engine, a durable direct-drive system, lift arms with cast-steel construction and a high-capacity cooling system to accomplish more on even the most challenging days.

The nimble S66 features a unique balance of maneuverability and power with impressive lifting and pushing power. You'll reach new heights of productivity with unmatched comfort features, precise material handling capabilities, fast cycle times and easy attachment changes.

- Two-speed travel
 - Clear-side cab
 - Premium Comfort
