Product Description

Bobcat S70 Skid-Steer Loader

The S70 is compatible with a variety of attachments, including a snowblower, sweeper, nitrogen breaker, trencher, snow blade, soil conditioner and much more.

At just three feet wide with a standard bucket, the S70 is ideal for challenging tasks in confined spaces.

The S70 is the smallest compact loader in the Bobcat lineup. It's small in stature, but a giant in performance. Behind the controls, you'll efficiently complete demanding work where other machines struggle or can't go.

- Efficient Tier 4 engine
 - Leading attachment versatility
 - Superior performance in a small package
 - Bob-Tach mounting system for easy attachment changes
-
