Product Description

Bobcat S76 Skid-Steer Loader

The powerful non-DPF engine and durable direct-drive system provide the performance you need while reducing and simplifying routine maintenance. The inline engine and durable direct-drive system deliver the performance and durability needed on today's jobsites.

The high-efficiency hydraulic system delivers more power matched to demand and leading breakout forces. Push it hard, knowing it will stay cool while tackling your most challenging work in all weather conditions.

Fingertip controls make your attachment operations easy, precise and comfortable with simple adjustments on the go.

We invented the skid-steer loader and the S76 embodies all that sets us apart - high performance, durability and unmatched comfort features that keep you productive. With power to spare and exceptional maneuverability, the S76 makes light work of the most challenging jobsite tasks.

- Operator-friendly controls
 - The ultimate jobsite vantage point
