Product Description

Bobcat SC24H Sod Cutter

Legendary performance meets new transmission technology for easier-to-control, smoother, and more stable sod cutting.

- Hydrostatic, variable-speed transmission
- Ultra-low vibration technology
- EasySteer technology
- User friendly operation
- Simple depth and blade-angle adjustment

The Bobcat® SC24H sod cutter's innovative, hydrostatic, variable-speed transmission lets you power through the cut while its heavy-duty, long-lasting, cast-iron gear case and hydraulic cooling system stand up to the toughest demands - season after season.

- A user-friendly, color-coded interface makes it easy to adjust blade depth and angle for precise cutting - no matter the soil condition.
 - Unlock the pneumatic rear caster wheel to easily and tightly maneuver around landscaping, then lock it for unmatched precision on straightaways.
 - Featuring ultra-low vibration technology, the rubber isolation mount absorbs shock and machine vibration before they ever reach your hands, saving your arms from fatigue.
-
