THE MOWER IS KNOWN FOR MAKING NEIGHBORS JEALOUS.

For homeowners who don't just want to mow their lawn but prefer to manicure it. After all, this is a residential mower often mistaken for a commercial unit. It has the power, durability, and high performance that lawn aficionados demand - causing them to ask whether or not their lawn is worthy of such a machine.

Features:

Seat Isolation

Removes vibrations to decrease fatigue by absorbing the rough terrain so your body doesn't have to.

Commercial Deck

The 5 ½ inch deep fabricated 10-Gauge steel deck provides exceptional airflow and cutting performance with industrial-strength peace of mind, backed by the machine's 4-year limited warranty.

Automotive-Style Tubular Frame

Increases durability by withstanding force from any direction. This high-strength, premium frame is positioned with a lower center of gravity to improve stability while mowing on hillsides.
